

ESMS MOHS SURGERY COURSE PROGRAMME

Friday, 27 May 2022

Friday 27 May 2022

Common Lectures Beginners and Advanced Room: El Prado

8.45 - 8.55	Welcome	Severin Läuchli & Luis Rios-Buceta
8.55 - 9.15	ESMS position on indications for Mohs Surgery	John Paoli
9.15 - 9.30	Different techniques in Micrographic Surgery	Matthias Möhrle
9.30 - 9.45	Histopathology 1: Stains, histology BCC/SCC, horizontal/vertical sections, pitfalls	Jivko Kamarachev
9.45 - 10.00	Histopathology 2: challenges in frozen sections and interpretation discrepancies	Angel Santos-Briz Terron
10.00 - 10.15	Taking layers: Mohs beyond the 1st stage	Tri Nguyen
10.15 - 10.30	History and basic concepts	Alejandro Camps Fresneda

10.30-10.50 Coffe break & exhibition (Room: Aranjuez)

Lectures Beginners Room: Alcalá

10.50 - 11.10	Mohs technique <i>Simone van der Geer</i>
11.10 - 11.30	Organising a Mohs service, equipment <i>Judith Ostertag</i>
11.30 - 11.50	Documentation and work flow <i>Yossi Alcalay</i>
11.50 - 12.10	Laboratory & Cryostat technique <i>John de Leeuw</i>
12.10 - 12.30	Mapping and staining <i>Nisith Sheth</i>
12.30 - 12.50	Basic principles of reconstruction <i>Michael Mühlstädt</i>
12.50 - 13.10	Forehead reconstruction <i>Pedro Redondo Bellón</i>

Lectures Advanced Room: El Prado

10.50 - 11.10	Why is Mohs not 100% (causes of error, accurate mapping) <i>Nisith Sheth</i>
11.10 - 11.30	Mohs for SCC and tumors other than BCC <i>Charlotte van Lee</i>
11.30 - 11.50	Mohs surgery for aggressive SCC <i>Onofre Sanmartin</i>
11.50 - 12.10	Mohs for cutaneous Sarcomas <i>Beatriz Llombart</i>
12.10 - 12.30	Mohs for the nail unit <i>Olivier Cogrel</i>
12.30 - 12.50	When Mohs isn't enough: Combination treatment <i>Gertruud Krekels</i>
12.50 - 13.10	Multidisciplinary Mohs large cases <i>Ricardo Vieira</i>

13.10 - 14.30 Lunch break, exhibition and industry sponsored workshops

The industry workshops will be repeated two times:

Industry Workshop 1 - Room: Alcalá

13.30-13.50	CookBiotech Title: The Role of an ECM in the Management of the Mohs Patient Speaker: <i>Ally-Khan Somani</i>
13.55-14.15	

Industry Workshop 2 - Room: El Prado

13.30-13.50	VivaScope Title: Advances and new frontiers in ex vivo confocal microscopy Speaker: <i>Javiera Pérez-Anker</i>
13.55-14.15	

14.30-17.30

6 groups in total - 3 Beginners & 3 Advanced - will rotate between the workshops

Workshops Beginners

Workshop A - Room: Turina Mapping, inking, cryostat <i>Judith Ostertag/ John de Leeuw/ Nisith Sheth</i>
Workshop B - Room: Recoletos Pathology slides basics (BCC) <i>Angel Santos-Briz Terron /Simone van der Geer/ Severin Läuchli</i>
Workshop C - Room: Colon Anatomy and nerve blocks <i>Tri Nguyen / John Paoli</i>

Workshops Advanced

Workshop D - Room: Alcalá Tips and tricks <i>Toni Bennassar/ Gertruud Krekels/ Ally-Khan Somani</i>
Workshop E - Room: Albeniz Pathology slides advanced (SCC and other tumors) <i>Onofre Sanmartin/ Jivko Kamarachev / Charlotte van Lee</i>
Workshop F - Room: El Prado Confocal microscopy / Rapid Lump <i>Javiera Pérez-Anker / Matthias Möhrle</i>

17.30-17.45 Coffe break & exhibition (Room: Aranjuez)

Lectures Beginners Room: Alcalá

17.45 - 18.05	Danger Zones: Facial Nerve Anatomy and vessels relevant to the Mohs Surgeon <i>Tomas Toledo</i>
18.05 - 18.25	Advice for New-to-Practice Mohs Surgeons <i>Michael Kunz</i>
18.25 - 18.45	Pearls and Pitfalls for Local Flaps: Principles of Design and Execution <i>Ally-Khan Somani</i>

Lectures Advanced Room: El Prado

17.45 - 18.05	Reconstructions that involve cartilage transplant <i>Luis Rios-Buceta</i>
18.05 - 18.25	Ectropium repair <i>Marco Sales</i>
18.25 - 18.45	Reconstruction of eyebrows <i>Joan Ramon Garces</i>

18.45 Closure day 1

20.30 Course dinner at Restaurant TEITU
Address: Poeta Joan Maragall, 20 | 28020 Madrid)

Saturday, 28 May 2022

Saturday 28 May 2022

Common Lectures Beginners and Advanced Room: El Prado		
9.00 - 9.20	Approach to Reconstruction of Challenging Mohs Defects in Specialty Sites	María Eugenia Iglesias
9.20 - 9.40	Literature Review: Treatments Relevant to the Mohs Surgeon	Mario Linares
9.40 - 10.00	Managing complications in Mohs surgery	Aleksandar Kronic
10.00 - 10.15	Coffe break & exhibition (Room: Aranjuez)	
Common Workshops Beginners and Advanced		
10.15-13.00 <i>Three groups rotating between the workshops</i>	Workshop G - Room: Falla Reconstructions 1 Upper face (forehead/periorcular)	Ricardo Vieira / Michael Mühlstädt
	Workshop H - Room: Alcalá Reconstruction 2 Lower face & ears	Tri Nguyen / Yossi Alcalay
	Workshop I - Room: El Prado Reconstruction 3 Nose	Olivier Cogrel / Aleksandar Kronic
13.00 - 14.00	Lunch break, exhibition and industry sponsored workshops	
13.30-13.50	Industry Workshop 3 - Room: El Prado Novodiox Title: Rapid Automated & Manual Immunohistochemistry (IHC) Testing During Mohs Procedures Speaker: <i>David Hagebush, Director of Clinical Marketing, Novodiox, Inc.</i>	
Common Lectures Beginners and Advanced Room: El Prado		
14.00 - 14.20	Scar Revision: How to restore Contour	Aleksandar Kronic
14.20 - 14.40	Mohs surgery and lasers a perfect match	Judith Ostertag
14.40-15.00	Mohs in challenging sites (cartilage etc.)	Ally-Khan Somani
15.00-15.20	Mohs surgery qualifications: ESMS requirements/certification	Severin Läubli
15.20-15.30	Mohs surgery in Spain	Yolanda Delgado Jimenez
15.30	Closure day 2
